

KLINE DuBOSE | CV

Doctoral Student, Population Health Sciences, Division of Biostatistics

Status: Research Assistant, University of Utah

Phone: (435) 258 - 7509

E-mail (work): kline.dubose@utah.edu

295 Chipeta Way, 3rd Floor

Salt Lake City, UT 84108

Education

Ph.D. in Biostatistics - University of Utah

Aug. 2022 - Present

- Department: Population Health Sciences

B.S. in Statistics - Utah State University

Jan. 2019 - May 2022

- Minor: Mathematics

Research Experience

Graduate Research Assistant - University of Utah

Aug 2022-Present

- Collaborate on statistical design, analysis, and reporting for clinical and observational health studies
- *AID*: AI tool development to simplify project assignment at the Biostatistics Core at the Huntsman Cancer Institute. (2025-Present)
- *PT-IN-MIND*: NIH funded feasibility trial. Data safety monitor. Generated reports for IMC meetings. (2023-Present)
- *ImmPETUS*: Study conducted to examine the social health impacts of different cancers. Conducted data cleaning, variable definition, and statistical analyses for cancer outcomes research. (2023-2024)
- *INTERSECT*: Study using Flatiron data to examine socioeconomic differences in patients receiving immunotherapy. Conducted data cleaning, variable definition, and statistical analyses for cancer outcomes research. (2023-2024)

Publications

Tay, D., **Dubose, K.**, Chipman, J., Ellington, L., Alnajar, M., Jacob, E., Stephens, C., & Ornstein, K. A. Risk of Mental Health Conditions in Bereavement: A Population-Based Analysis of Lung Cancer Spouses. (2025). *Frontiers in Public Health*, 13, 1539180. <https://doi.org/10.3389/fpubh.2025.1539180>

Presentations

- DuBose, K.**, Chipman, J., Villar, S., & Pin, L. (March 2026). Similarity Weighted Covariate Adjusted Response Adaptive (SW-CARA) Clinical Trials. Poster presentation at ENAR 2026 Spring Meeting, Indianapolis, IN.
- Tay, DL, **Dubose, K.**, Chipman, J, Alnajar, M, Ellington, L, Jacob, E, Stephens, C, & Ornstein, KA. (September 2024). Risk of mental health disorders in bereavement: A population-based analysis of lung cancer spouses. Poster presentation at the National Center on Family Supports 3rd Biennial Conference on Caregiving Research, Pittsburgh, PA.
- Tay, D. L., **Dubose, K.**, Meeks, H., Guo, J-W., Alekhina, N., Feldner, K., Sheng, X. Chipman, J., Ellington, L., & Hashibe, M.. (March, 2024). Inpatient and ED use among melanoma and lung cancer patients receiving immune checkpoint inhibitors. Poster presentation at the 2024 State of the Science in Hospice and Palliative Care, Phoenix, AZ.

Teaching Experience

Teaching Assistant - R Coding Bootcamp - University of Utah

June 2023 - Present

- Helped teach introductory and advanced R Coding Bootcamps
- Provided assistance, as needed, to participants in the bootcamps

Teaching Assistant - Ordinary Differential Equations - Utah State University

Jan. 2022 - May 2022

- Graded student assignments
- Hosted office hours

Recitation Leader - Introduction to Statistics - Utah State University

Aug. 2021 - May 2022

- Provided additional instruction to Introduction to Statistics course
- Tutored Students

- Provided additional instruction to Statistical Methods course
- Graded homework
- Tutored Students

Additional Experience

Chair at Student Research Conference - Brigham Young University

Feb. 2026

- Guided discussion on student research projects
- Assisted in selecting session winners

Judge at Student Research Conference - Brigham Young University

Mar. 2025

- Provided feedback on student research projects in the machine learning space.
- Selected session winners

Technical Skills

Programming Languages: R, SAS, C++, Python

Languages: English (native), Spanish (conversational proficiency)
